

# Dakabin Cares

## HOLIDAY HAMPERS PROGRAM 2020

2020 has been a challenging year for many people within our Dakabin community.

The Dakabin State School Chaplaincy Committee, in partnership with Axis Church, will be creating HOLIDAY HAMPERS to bless, encourage and support our families over the upcoming holiday period and festive season.

Dakabin SS families are requested to donate seasonal/ festive items and non-perishable grocery items to support the school and Axis Church to provide hope and holiday hampers to families in need within our school community.

Boxes will be set up in each classroom and in the Office for the donated grocery items from 3 – 20 November 2020. Santa's Elves will deliver the hampers to successful nominees before the end of the 2020 school year.

If you have a family in mind that you would like to see blessed this season, whether they are a family in need or you just want to acknowledge their work, please complete the form below and return to the Office or email to Chappy Ben [benp@chappy.org.au](mailto:benp@chappy.org.au) by 13 November 2020.

Please contact Chappy Ben via the School Office if you require any further information.
