Great state. Great opportunity.
Dear Parents and Caregivers,

Club Kidpreneur
There is never a week without some wonderful learning and opportunities for our students. This week we held our very first Club Kidpreneur Market Day, which was a huge success. We were taken by surprise and sold out of the products so quickly that we are holding a “Mini Market Day” next Thursday so that the Prep and P/1 classes have the opportunity to purchase items. Our micro-business owners have been learning about investment, capital, profit and loss, when working on their products. We are planning for this to be a regular club at our school for our students.

ANZAC Service
Today was the most moving ANZAC Service I have seen in our school. The respect from the students during the service was outstanding. I am so proud of the traditions our school has in regards to ANZAC Day. Our school choir performing In Flanders Fields and the NZ National Anthem was incredible, the reading of the poems, and the wreaths made by classes made for a moving tribute to our servicemen and women. It was wonderful to see the students and parents wearing medals of family members past and present. I encourage as many of you as possible to join our school in the community March on Monday at Kallangur.

Have a great week!        Has anyone seen the Green Sheep?  Prep / 1 Purple are looking for him!

Congratulations Lucas—National Champion
Lucas Cornale has topped off a fantastic season of water skiing by winning the under 10 Boys Slalom, trick and overall events at the Australian Water Ski Nationals held at Stoney Park at Port Macquarie. The national competition was held over 5 days over the Easter weekend. There was a large field of 16x Under 10 boys who had travelled from all states in Australia.
Lucas still has one tournament to go for this season, which is the Queensland State Titles to be held Ayr in a few weeks time. He will be training hard and hoping to put up some big scores to finish off the season.
