Dear Parents and Caregivers,

NAPLAN Week
There is no such thing as a quiet week in our school. NAPLAN week has come and gone and our students in Year 3 and Year 5 did a marvellous job in their testing. Most importantly they tried their very best and also persisted even when it was hard. We will get their results back in mid to late August.

Parent Representatives
This week we held our first Parent Forum with representatives from all classes. This was a lovely morning where we discussed the purpose and role of the Parent Representatives. They will be introducing themselves to you in the coming weeks. I am sure you will find these parents a wonderful support and easy to talk to about happenings in your child’s class.

Wacky Day
Thank you to all the families and staff who supported our Wacky Day. The purpose of this was to raise funds to help our Wakakirri Performance Group. Miss Paololetti and Wakakirri Kids are practicing every Tuesday afternoon. They will be developing their performance and the props and costumes ready for Mid August when they will perform.

Melbourne Visit
Next Wednesday, Thursday and Friday, Mrs Griffiths, Mrs Randall, Mrs Lewis and I will be attending a Professional Development Conference in Melbourne. Mrs Betts and Mrs Djellaoui will be Officers in Charge of the school.

Winter Clothing
Please make sure that your children’s winter jumpers are labelled with their names. During the play times students often take their jumpers off and it is difficult to find owners when there is no name.

Crunch and Sip
A reminder that during Crunch and Sip time there is to be healthy fruit and vegetables. Tinned fruit and yoghurt is for morning tea or lunch times. Please do not put cordial or milk into water bottles for class time.

Have a great week!
