Dear Parents and Caregivers,

Out and About
Wednesday, Thursday and Friday this week, Miss Jeppesen, Mrs Griffiths, Mrs Lewis and Mrs Randall have been very busy taking in new ideas and learning new and different ways of doing our core business of teaching our students to be life-long learners. I have heard from Miss Jeppesen who is feeling very energised and excited. We look forward to what the future holds for us here at Dakabin with their new insights.

Behaviour Choices
Each and every day, every one of us makes a choice as to how we behave. We can choose to treat each other with kindness and dignity or we can choose to treat each other harshly and unkindly, whether it be what we do physically to another person, what we say to another person, or what we say about another person. It can also be our lack of action that hurts or hinders our relationships with others. It is so very important that we do not stand by and allow others to be hurt.

At Dakabin, we teach our students to be respectful and considerate of others. In the heat of the moment during playtime, in class, in group work and in times of stress or strain, things may be said or done that are not the best possible choices. We encourage our students to report any instances of mistreatment, hurtful or demeaning language and physical misconduct that has been directed toward them; this includes any sexual or racially-based comments.

All reports are treated as important and investigated. Students are often not aware that their report has been followed up, nor are they often aware of the consequences the reported behaviour has incurred. We would ask that you continue to encourage your children to report any such instances straight away so that we can address them as quickly as possible.

It is also very important to teach our children that if they become aware of such behaviours, even though they may not be happening to them, they need to be reported. It is not okay just to walk by or stand and watch someone else being mistreated or spoken to in an inappropriate manner.

If you see it or if you hear it, report it.

Have a great week!

Is it BULLYING?

When someone says or does something unintentionally hurtful and they do it once, that’s REUDE

When someone says or does something intentionally hurtful and they do it once, that’s MEAN

When someone says or does something intentionally hurtful and they keep doing it even when you tell them, to stop or show them that you are upset - that’s BULLYING

We made ourselves a challenge to see how quickly we could hand whisk egg whites so that it was firm enough to tip over our heads without any mixture falling out. It took us a total of 25 minutes, 3 children, 2 educators and a lot of elbow grease! Cooking Class is held on Monday weekly! If you would like to find out more about our programs please come in and visit us onsite here at Dakabin School. You can also email us or call us to find out about enrolment with YMCA. Don’t forget, we don’t lock you into any contracts and some families pay a small amount thanks to the Childcare benefit!
