Dear Parents and Caregivers,

**Upcoming Sports Day Information**

In a fortnight we will be hopefully (weather dependent) holding our annual sports events and carnivals. It is timely that we share information in regards to these events. We hold them over a number of days to give students who are 10/11/12 years of age, the best opportunity to qualify for the school team to go to the Pine Rivers District Athletics Carnival.

**14 June - Field Events for 10yo/11yo/12yo**

These are run over the 2 sessions at the beginning of the day. They are rotations of shot put, long jump and high jump. The age groups rotate around the 3 events for boys and girls. Trials for places in the field events have already occurred over the last few days.

**Field Event Rotations for Year 3 and Year 4**

The rotations for the Year 3 and Year 4 students will be in last session from 1:15pm.

**15 June—Long Distance Events 800m**

This is run in the first session and is for the 800m running event.

**16 June - P-2 Junior Carnival **CHANGES**

This year we have made a change to hold our Under 8’s activities in Term 3.

**P-2 Junior Athletics Carnival**

- There will be no activities in the first session.
- **START TIME 11:15am** - Running Races in their year levels starting with Preps
- Picnic Lunch - At the conclusion of the running races (approx. 12:45pm) there will be an opportunity for parents and students to have a picnic lunch on the oval
- **1:15pm - 2:30pm Junior Sports Rotations**

**21 June - School Athletics Carnival - “Dakalympics” - Year 3 – Year 6**

The Athletics Carnival will start at approx. 8:45am - Students need to be marked off the roll in the morning, before coming to the oval with their class teacher. Heats will run in the morning, followed by Semi Finals and Finals. Our Annual Interhouse Tug-o-War events will be on the events lists followed by finals and relays.

**Parking / Pick Up Zones**

It feels a bit repetitive to keep running an item in the newsletter about road safety for adults, however the safety of students and crossing staff is a huge priority for our school.

Sheaves Rd is a 50km zone to begin with and during the 7-9am and 2-4pm times is it reduced to 40km per hour in the area in front of the school.

Parking is a serious concern where adults are double parking in the drive through area and then expecting children to run on the road to get in the car.

When using the parking bays you are required to reverse into the car park so that you have high visibility when leaving the parking space.

There are a few simple solutions to pick up times... park a little further away and walk up to meet your child or children, or simply delay by 5-10mins. There is afternoon supervision in the covered space at the front of the school.

Have a great week,
Kelly Jeppesen

**Did you know...**

- That you can’t leave your vehicle or park in a 2 minute Loading Zone
- It is illegal to park in front of a pedestrian crossing

**Afternoon Bus Travel**

If your child catches the bus home in the afternoon please make sure they have their bus passes or Go Cards.

Bus companies have to make sure that students are not fare-evading.
Mrs Henricksen in the library is going to make some pillow beds. She is looking for donations of pillowcases. Boy or girl designs needed. New would be good but second-hand in good condition would be fine too. Please bring donations to the library.

P&C Association WINTER FUNDRAISER
Order forms have been sent home today with the newsletter. Money and orders are due back to the office by FRIDAY 10th June. Orders will be ready for collection after school on Tuesday 21st June from the tuckshop.

PREP BLUE SUPPORT THEIR ORIGIN TEAM

The office is in need of donated school shorts. If you have any shorts to donate please bring in to the office. Smaller sizes are really needed.

Winter Mapleton Adventure Camp
This is a fantastic camp happening in the first week of the school holidays for kids in grades 5 & 6. I go along to this camp every year and it is so much fun. We get to try activities like archery, canoeing, abseiling, rock climbing, the giant swing, bush skills, NERF WARS and have an amazing time at Carnival Night! If you would like to know more or to register your child jump on www.sucamps.org.au or speak to Chappy Beck.
