Dear Parents and Caregivers,

I would like to take this opportunity to welcome you back to Term 3. We have a number of new families who have joined our school community from interstate, overseas and other locations around Queensland. We welcome them to our ever growing school community.

Term 3 is filled with many wonderful events and opportunities for students. Camps, class excursions and incursions, district athletics, Wakkakiri. We have a whole school performance organised by Mrs Beilby of the Bongo Brothers on Monday 25 July. Permission slips and payments are due by Friday 22 July. Cost is $6.00.

Denise and Bruce Morcombe Visit
On Wednesday 27 July we have Denise and Bruce Morcombe visiting our school to run a presentation and talk to our students. Many of you know the significance of this visit in regards to the safety of students and teaching them the important elements of Recognise, React, Respond. I invite all parents to join us for this presentation at 11:15am in the school Hall.

Parking and Pick Up
At a P&C Meeting in Term 2, parents raised the parking issue around the school. As a result of that, I have been meeting with members of the Moreton Bay Regional Council and also the QLD Police Service, to look at ways we can increase the 2 min Zone for Pick Up especially in the afternoon. A proposal is being developed and being raised with council for approval.

In the interim is it vital that parents follow the signs for the No Standing area and also keeping the drive through clear with no Double Parking. This is about keeping our kids safe, which is a priority for us all.

2017 Prep Enrolments
It’s that wonderful time of year where we are taking enrolments for our 2017 cohort of Prep students. Our first Parent information evening is on Wednesday 27 July at 6:30pm. Enrolment packages are available from the office.

Enrolment Catchment
As many of you are aware our school has an enrolment catchment. If you are an existing family this doesn’t apply to you, however it does apply to all new enrolments to the school. Parents or legal guardians who wish to enroll their child at the school will need to demonstrate that the student’s principal place of residence is within the catchment area. Current proof of residency at the address indicated can be provided by way of one of each of the following:

- One primary source – a current rental/lease agreement, or rates notice, or unconditional contract of sale; and
- One secondary source – a utility bill (e.g. electricity, gas) showing this same address and parent’s/legal guardian’s name.

Have a great week!

Kelly Jeppesen
Principal
Welcome back, new or old – YMCA Outside School Hours
Care starts at 6am in the morning. We have cooking club during before school care and lots of activities to start our brains working. For after-school care we run homework club Tuesday to Thursday and this Term, Photography club is Wednesday afternoon. Some families pay as little at $3.80 to attend!
