Dear Parents and Caregivers,

**Class Information Evenings**
What an amazing success our Class Information Evenings have been. We had an extraordinary attendance by parents in fact the best we have ever seen. Two thirds of the students in our school had a parent or two attend their child’s class session. We hope that you have enjoyed the new format for Class Information Sessions. The teachers and the students should be very proud of the way in which they planned their class session to be interactive, fun and informative. The parent, teacher, student relationship is vital to the ongoing success of student achievement. We look forward to more events like this in the future.

Of the 24 classes with 580 students we had 334 parents attend their child’s information session. I also want to thank my teachers, specialist teachers and STiDLs who put in a huge effort to make sure the nights were successful.

**Winners of the $30 Movie Vouchers**
This morning we drew the winners of the $30 movie vouchers for parents who attended the Class Information Session. Mrs Griffiths and Mrs Seddon did the draws to make sure everything was fair!! Of course the more kids and the more sessions you went to this increased your chances!! Congratulations to the following parents. These will come home with your child today.

**Sizzling Hot Weather Plan**
We have developed a more extensive plan for the anticipated extremely hot weather forecast for Monday. Please see the attached letter to this newsletter for all the details.

**Hydration - We can not stress enough that every child should have a water bottle to be able to use during the day in the classroom. On normal days this is important but on extremely hot days it is critical to the wellbeing of your child.**

**Basketball Trials**
This week we had 2 students, Kelylah Harris-Wihongi and Tegan McKenzie, trial for the Pine Rivers District Basketball team. Both girls performed very well and Kelylah was successful in gaining selection for the Pine Rivers Team.

**SMS - Same Day Alert System**
Please make sure that you check your mobile phone details at the office. We have a same day SMS service that is used to notify parents that there child is absent. It is only effective if you have updated your details.

Have a great week

Kind regards
Kelly Jeppesen
Principal
**Dakabee Award Recipients**

**Term 1 Week 2**

**Be Safe**
- Allora Norman 3/4 Indigo

**Be Sensible**
- Cadence Thomson 3 Violet
- Islajae Sogiannis 4 Garnet

Online ordering is available, with stock delivered to your child’s class.  
Queries can be made during these hours on  
Phone 3491 2242  
Linda Daffern  
Uniform Shop Convenor

---

These posters have been placed in the junior toilets to promote the importance of hygiene. We would encourage parents to practise handwashing routines at home with their children.
