Dear Parents and Caregivers,

Well the end of the year is in sight and there is much to celebrate and also many jobs to complete before we commence our Christmas Vacation.

Report Cards will be coming home next Friday, 4 December. Please look for them in your child's bag!

### Class Movements

Over the next 2 weeks there will be some major movement of furniture and classes in preparation for 2016. It is much easier to move furniture, desks and chairs at the end of the year so that we have a smooth start to 2016. The movements will mean that some classes will leave their current room and finish the year in a new place.

These moves are quite significant as we make space for the growth in the lower school. Over the next two weeks students will start to bring some of their belongings home as clean up occurs progressively.

### 2016 Staffing

Over the last week I have been able to finalise our staffing of classes and specialist teachers. I am pleased to announce that Mrs Sasha Flugge has been permanently appointed to our school.

### Celebration Evening Invitation

On the opposite page is an invitation to our whole school community to join us in celebrating the year that has been.

Our classes display their movies which are a fun way to see what's been happening in our learning. We will be awarding our prizes for students and also farewelling staff who are leaving or retiring.

School Leaders and House Leaders for 2016 are also announced. Students wear their **full school uniform** on this evening and sit with their parents. Please join us in the Hall on Thursday 3rd December from 6:15pm.

### Class Break Up Activities

All classes will be communicating with parents about their break up day activities. We traditionally hold class parties on the Thursday of the last week. If you need to know more please see your child's teacher.

Have a great week!

# Wakakirri is coming to Dakabin in 2016

As the new school year is approaching, we are excited to announce that Dakabin would like to participate in the Wakakirri Primary School's Story Dance Challenge next year. Wakakirri is an annual performing arts festival for primary schools. Each year hundreds of schools across Australia perform in Professional Theatres for audiences of family and friends.

A Wakakirri Story Dance is a 3-7 minute performance by a school that theatrically tells a story using a combination of dancing, acting and creative movement to pre-recorded music. Wakakirri is a wonderful endeavour for schools, proven to develop students' creative thinking, school pride, teamwork, self-worth and life skills.

Performing in Wakakirri is an experience students never forget. If this is something your child would be interested in doing, please sign and return the expression of interest **form to Miss Paoletti by Friday 4<sup>th</sup> December.**
