Semester 1 Report Cards
This afternoon your child will be coming home with their report card for Semester 1. Please take the time to discuss the results with your child. Students in Year 6 & 7 will receive their report card to bring home on Monday.

If you require a second copy for family reasons, please ring the office to arrange a copy. It is important that parents realise that Semester 1 report cards are an interim indication of how your child is progressing in alignment with the Australian Curriculum Standards. If there is anything you are not sure of please see your child’s teacher for more information.

This will be our last newsletter for this term. I look forward to sharing results of the inter house carnival in the newsletter first week back, or keep track of events on the school Facebook page.

Have a great week and a safe holiday break.

Kind Regards,

みなさん、こんにちは
(Minasan, Kon-nichi-wa) When you come home from school (or wherever you have been out) you would say ‘tadaima’ and whoever is at home says ‘okaeri nasai’ to welcome you back home.
