

## 2020 Student Materials and Supplies – Year 3

This booklist has been prepared by teachers to meet the learning needs of your child.

There are specific book types that are essential to learning and organisation. We would ask that you try to find the exact books so that it is easier for your child and their teacher.

Please place NAMES only on books as the staff use a “coloured dot” system across the whole school to assist with organisation in the classroom. Feel free to contact or cover books as desired.
