Student Dress Code

At Dakabin State School our dress code provides clothing that aims to contribute to a safe and supportive teaching and learning environment through:

- Ready identification of students and non-students;
- Fostering a sense of belonging; and
- Developing mutual respect among students by minimising visible evidence of economic or social differences.

Our student dress code reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation.

Jewellery Conditions

Our School Policy on jewellery is that the following are acceptable:

- Medical or alert bracelets;
- Ear studs or sleeper earrings (no dangling earrings) – ear piercing is considered acceptable for students;
- Wrist watch (no smart watches).

If jewellery is of a religious or cultural significance, a note from parents/carers to the principal advising of such is required. NB: no other facial piercing is considered acceptable and students will be asked to remove any jewellery from those piercings and parents will be notified of this expectation.

Other jewellery can become a problem during physical education lessons and potentially cause safety hazards in school activities. Students may be asked to remove jewellery in any activity if there is foreseeable risk of injury to the student.

Hair

As a general rule, hair longer than the shoulders must be worn tied back, for health and safety reasons. Scrunchies, ribbons and hair bands in appropriate school colours may be worn. Child's natural hair colour is appropriate, no unusual hair colouring (eg: purple, green etc). The exception to this rule is on school inter-House sports carnival days where the sports house team colour only is considered acceptable.

Inappropriate Dress

Inappropriate dress refers to clothing or apparel worn by students that is deemed to be:

- Offensive;
- Likely to disrupt, or negatively influence normal school operations;
- Unsafe for student or others and/or
- Likely to result in a risk to health and safety of student or others.

A student's non-compliance with the school's Student Dress Code requirements is not grounds for suspension, exclusion or cancellation of enrolment from school.
