### Parent/Caregiver Internet Agreement

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school can not control what is on those computers and that a very small part of that information can be illegal, dangerous or offensive.

I accept that while teachers will always exercise a duty of care and protection against the exposure to harmful information, however there is a responsibility of students to be using the Internet appropriately.

I believe that my child \_\_\_\_\_ understands this responsibility and I hereby give permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate consequences, which will include loss of Internet privileges.
