

## Ordering

The easiest way to order Tuckshop for your child is using online ordering via [www.quickclg.com.au](http://www.quickclg.com.au). It can be done at a time convenient to you – weeks in advance or up to the 8:45am cut-off on the day. It is very simple to set up an account using a credit card and the cashless system means no more searching for cash or waiting for the change to come home. This year, we encourage all families to use this facility. Over-the-counter orders need to be clearly written on a paper bag/s (if ordering both breaks), remembering to include your child's name, class, and 1<sup>st</sup> or 2<sup>nd</sup> break. Place the money in the bag and **if change is required, it is sticky taped to the outside of the bag and returned with the filled order.**

## Our much appreciated Tuckshop volunteers

To enable the Tuckshop to provide healthy and delicious food we rely on volunteers to help prepare and pack lunch orders. The volunteers also help to keep operating costs low and in turn keep prices reasonable. Tuckshop volunteers are required from 8.30am to 1.30pm. However, we understand how precious time is and welcome volunteer help, even if only for an hour. The morning can be busy but we aim to work in a fun and encouraging environment. Thank you to the parents, grandparents and careers who spend a few hours each month to ensure the Tuckshop operates effectively. Many hands make light work!

**All orders to be placed by 8.45am**

## How can you help?

Anytime you can spare to help with preparation or counter service, whether on a regular basis or occasionally is greatly appreciated. Please see Jaynie Webster in the Tuckshop, or phone the school on Ph. 3491 5222 to talk to them about volunteering options.
